THERE IS NO SATURATION POINT FOR HONEST VALUE

Build a product that the world needs, better than the world expects, and mounting sales will answer those who are constantly predicting a saturated market.

During the first six months of this year, for instance, Dodge Brothers sold 207,115 motor cars and trucks. This represents a gain of 49.3 per cent over the first six months of 1925, and continues Dodge Brothers in the enviable position of THIRD IN THE INDUSTRY.

For the three weeks ending July 17th, 23,862 motor cars and trucks were delivered to customers—an increase of 62.4 per cent over the same period last year, and impressive evidence that Dodge Brothers great sales gain is continuing through the quiet weeks of mid-summer.

There may be a saturation point for mediocrity, but honest value will always command a great and ever expanding market.

TALK is cheap, and it is easy to make extravagant claims. This is true of cream separator claims. If there is the slightest doubt in your mind which separator really does skim cleanest, just try this simple test:

Put a De Laval side-by-side with any other separator at approximate capacity. Your De Laval Agent will gladly arrange this test. Mix 36 pounds of warm milk and let it stay at normal room temperature of 70 degrees. Run half through each machine. Wash the bowl and thereafter each machine in its own skim-milk. Run the warm skim-milk through the other machine and when ready weigh and test for butter-fat the skim-milk from each. Then you do this you will know beyond doubt which De Laval skims cleaner, is easier to turn, and more profitable to own.

The new De Laval is the best cream separator ever made. It has the wonderful "floating" bowl—the greatest separator improvement in 25 years. It is *guaranteed* to skim cleaner, run easier and last longer. It is the crowning achievement of 48 years of separator manufacture and leadership.

Liberal trade allowances made on old separators.

Miss Mattie Wright, of Lynchburg, spent the week-end with her parents, Mr. and Mrs. Tom Wright.

Country Doctor Gets Fee After 22 Years

Chardon, Ohio.—The life of a country physician is a drab one, but occasionally there is a ray of sunshine.

Dr. R. C. Pease of Chardon, while making a call in an adjoining town, was greeted by two men. The elder, hailing the doctor and extending his hand, said:

"Doctor, I see you do not recognize me."

Doctor Pease admitted it.

"No wonder you don't," said the elderly man, as he introduced his twenty-three-year-old son.

"You brought me this boy, doctor," said the father, "I was then unable to pay you for your services and for years fortune failed to smile on me. But now I am able to pay you the old account. I was at your office the other day but you were out. I'll send you the money in a day or two. The bill was $21."

Two days later, Doctor Pease received a money order for $50.

VERA

Road improvement is going on all around us—The Megginson brothers are keeping their part of the highway in apple pie order.

The good people of this section are very much concerned over the efforts being made by the Oakville community from Appomattox to Bent Creek via the latter route. It would, indeed, be a pity, to supplant the route via Vera; as a hard surfaced road is already assured from Appomattox to Vera, with an easy grade the balance of the way nearly to Bent Creek, with no bridges or heavy construction. We venture to say that a simultaneous count would show ten automobiles passing over the Vera to one over the Oakville route. If most traffic is to be served first, as is just, the Vera-Bent Creek route is entitled to a good road immediately; for it is a heavily travelled and important thoroughfare.

Mr. and Mrs. Monroe Garrette, attended the annual State Farmer's Institute, at Blacksburg, last week. They report a very pleasant, as well as a profitable sojourn.

Miss Christine Garrette attended the "All Star" convention at Blacksburg last week. Miss Garrette is an "All Star" member of the 4-H Club and is prominent in her work.

Messrs. Arnold Childers, and Irving Thacker, of Lynchburg, spent the week-end with Arnold's parents, Mr. and Mrs. W. T. Childers.

Clint Childers attended the "Short Course" at Blacksburg, last week.

Mrs. Curry, of Norfolk, visited her uncle, Mr. Jos. Garrette, last week. We are glad to report that Mr. Garrette is no worse at this writing.

Mr. and Mrs. Wylie Garrette, and family, of Richmond, are the guests of Mr. and Mrs. Leighton Hatcher. They were called here by the illness of Mr. Garrette's father, Mr. Joseph Garrette.

Mr. D. B. Ferguson, and son, Thomas, and Mrs Charlie Morris spent Sunday with Mr. Ferguson's mother, Mrs. B. D. Ferguson, who has been an invalid for a year or more.

Miss Florence, the young daughter of Mr. and Mrs. John Beale, of Tower Hill, was the week-end guest of the family of Mr. and Mrs. Sam Megginson.

Mr. and Mrs. Abbitt Woolridge, of Lynchburg, visited the family of Mr and Mrs. Leslie Coleman, Sunday.

Mr. Leslie Scruggs, of Pamplin, visited friends here Sunday.

Miss Allie Marks, of Forest, visited her grandfather, Mr. "Buster" Megginson this week

Mr. and Mrs. Andrew Ragland of Lynchburg, visited Mr. and Mrs. Homer Reynolds, last week.

Miss Marcia Childers, of Lynchburg, was a week-end guest of the home folks, last week.

Mr. A. Nuttycombe is building a store on his premises, at Wildway, which will make two stores in this vicinity—"Competition is the life of trade." Now, if some enterprising person would open a bank here we would have a community, "second to none." With the expectation of a hard surfaced road in the near future and a railroad in the dim future—the prospects for developing a rich part of the county are good.

Two of Vera's most winsome young ladies have decided to enter the bonds of wedlock since our last report. Miss Otys, daughter of Mr. and Mrs. W. T. Childers was married in Bristol on the 5th to Mr. William Monroe Slusher, of Lynchburg. Miss Addie Francis, daughter of Mr. and Mrs. John D. Childers was married on the 8th at the Prince Edward Hotel, Farmville, to Mr. Carroll Ould, of Appomattox. Our best wishes go out to these young people, that their path through life may be smooth and free from the besetments of sin and trouble.

Miss Mary Robertson met with an accident which might have proved fatal; but fortunately she escaped with a broken arm a gash in her face and a bruised knee. Miss Robertson was alighting from a car and was in too big a hurry and stepped on the ground before the car had stopped; the impetus of the moving car threw her forward with the above results. Miss Robertson was taken to a Dr., and had her wounds dressed and is resting fairly comfortably at this writing.

We are delighted to report that Mrs. Walker Carnefix, who has been such a great sufferer for so long, and who had her leg amputated in the spring, is regaining her strength and spirits, and is beginning to really enjoy life once more.

Mr. C. F. Smith, a prominent farmer, of this section, died Friday evening, the 6th, after several months sickness. He leaves two sons and two daughters to mourn their loss—his wife having preceded him to the grave several years ago.

The "Golden Age" says the "League of Nations" appears to be headed for the ash can. Germany, Poland, Spain, Brazil, and China, are all demanding a place in the Council. The entrance of every one of these, except Germany, is opposed by some members of the present Council, and as the decisions of the Council must be unanimous in electing the new member states, there is a deadlock which bids fair to mark the end of the League." What does the Bible say about these things. Read Isiah 8—9. 10, 11, 12.
